6.) Rule 60(b) motion for relief from a judgment or order  
 Advancing New Evidence through Federal Rule of Procedure  
 62.1 and Federal Rule of Appellate Procedure 12.1. Remedy  
 Rule 62.1 seek an "indicative ruling" from the district court as to  
 whether it would grant a motion which it no longer has jurisdiction.  
 In other words district court can consider a motion based on  
 New evidence and advise if it would rule favorably if it actually

(Supreme Court)  
Rule 60(b) motion for relief from

Remedy  
Rule 62.1

This permits a litigant to seek a "indicative ruling" from the district court as to whether it would grant a motion which it no longer has jurisdiction. In other words district court can consider a motion base on new evidence and advise if it would rule favorably if it actually had jurisdiction. Thus, for evidence is truly "new" the appropriate procedure is set forth in Rule 62.1 and FRAP 12.1. This does not mean, however, that appellate review of new evidence ~~is foreclosed~~ ~~is foreclosed~~ ~~is foreclosed~~ To contrary, a Rule 62.1 motion constitutes a final order that can also be appealed. As a result, a party that truly believes new evidence would sway the result can still have that evidence considered through separate appeal. Ideally, the district court ruling will be made in time for the Rule 62.1 appeal to be consolidated with the initial appeal a measure that can preserve costs, as in *United States ex rel Lockey v. City of Dallas* 576 F. App'x 431, 434 (5th Cir. 2014) consolidating appeal of Rule 62.1 motion and reviewing ~~under~~ an abuse of discretion.

Dear,

Article III Section II of the Constitution establishes the jurisdiction (legal ability to hear a case) of the Supreme Court.

President Donald J. Trump, we are respectfully writing this letter, sending these court and other documents trying to save the overall system we are living in, in all are courts in United States. Knowing that we are all living - man, women and children we're not perfect, and by the system (Judicial), officers of courts not completely letting GOD guide them in their hearts, allowing corruption and malicious conduct during the process to occur. GOD, when he judges us, its not to persecute, be little us, or harmful, only to love, trust, correct, kind in nature, letting all living man-women (Flesh) blood pumps and flows have the reign with GOD flowing in their hearts. Not using thoughts, ideas, punishment, and decisions of living man/women (Flesh) only. We believe that us, along with all faithful Christians in this world could make it "great again". Mr Trump we believe "you" was in "GOOD FAITH" to the best of your ability, think "you" are doing a Fine (Great) job and if mistakes are made or have been made who has n't we are (Flesh) living - man, and if so your heart we're sure was in the right place with GOD! Our family, our life is not perfect, as we know we're living - man and women the blood pumps, it flows, thats why we know sacrifice was made for us all, Jesus Christ, even if some living man/women never ~~have~~ <sup>are</sup> being born again through Jesus Christ, thats why and when free will comes to exsistance. We want to be heard, treated with dignity, not to be pushed around, undermined, mistreated, un-equal until they realize its not who we are, then go to next

code of law, coerce, control, sign contract, making us jump thru hoops, being slaves of courts, for personal gain, or for whatever other reasons, being malicious cause. you want due process, rights, respect, as they would want if they were in that seat, we're sitting in, make most of us end the fight to become slaves of the court for many reasons, and all living - being regardless of race, disability, wealth or age. We continue to fight for our rights, morals, values, lawful process without us needing to be fearful of actions taken against us, only trying to have a understanding of this world with GOD in our hearts, "GOOD FAITH", believe, apply, and to be heard. The (Judicial) system has made what's righteous common sense, common law, lawful system, into a complex mess. Court systems trying to make us believe or do things that are lawful, telling us their not lawful, preying on us all as we know, destroying everything that it represents and serves us for. The Judicial Court system is mostly for High Crimes and Lawful "GOOD FAITH" matters, not for destroy, or enslave us, not Guilty until proven innocent. We are off tract and believe you see that, made alot of progress, with bond laws, Law enforcement procedures constitution, and more, just getting system to actually follow them, along with us making some more. Changes, with that being said, we can make the difference not to to destroy the world and what's precious to us. To fix, correct, rise, help, enjoy, trust, believe, repair, love be kind and do onto other as we would onto us. By ending this we respectfully Thank you for the time to read this letter, and consider all that's in it pertains. Writting this is hopefully ledgable.

One Nation under GOD with  
Liberty and Justice for all.  
GOD BLESS the United  
State's of "America"

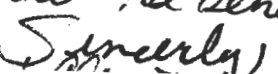

Respectfully  
Writting,

Solely swear <sup>BY</sup> ALLEN D. CARLYLE JR.: Auth. Rep.   
1<sup>st</sup> Day of February 2020 give President of U.S. of America  
Donald J. Trump permission to read, determine,  
act or proceed on this subject matter, with GOOD FAITH  
contacting<sup>ing</sup> at the time of doing so. We have spent  
thousands of hours on this matter, trying to learn  
U.S.S., U.C.C., Supreme Court, Canon, Trust, §, Local, Rules  
procedures and laws. With it being of a lot of complex  
knowledge it's not something you can learn over-  
night, We exhausted all resources we know and would  
be most appreciative to get help with subject matter  
due to financial strain we are having at this  
time, especially due to this matter. We would like  
legal guidance, speaker, and mediator if needed.  
We would be grateful to be heard, to tell our  
story in court and regain all that's lost, and  
help with opinions, proclamations, and regards due  
to correct, fix what's not working, so know one  
has to experience what we have. Our hearts break  
our children have been through so much and we  
are helpless as it continues to happen. Senator Josh  
Hawley can review, or anything that involves this matter  
to act on this matter, which I know his familiar  
w/ these counties, officials, officers, and area. We are  
praying, faithfully believing in God to allow this  
matter, to come to a end, with our children, life, liberty  
and justice returned to our family. This is continuing  
to take emotional toll on our family emotionally. We have  
much more to say, that sums it up for now. We have a lot more  
documents just in financial strain to make and send copies on  
this matter.

Sincerely,  & back →

(Documents)  
 Papers were in four separate sections by paper stating what, where, and why. Have all, more, original documents that pertain to this matter. We are having trouble with court getting discovery for litigation (lawsuit matter) due to court not providing them so we was Petitioner in court to make declaration, enter motions to do so on this matter and law enforcement saying there isn't police (incident) reports, body camera, tagger log not has it been acknowledged of even happening all, until we filed physical evidence in court with them giving me hard time about it.  
 Please feel free to contact us at any time.

Before me, the undersigned authority, personally appeared <sup>ALLEN CARLYE JR. A.R. - BENEFICIARY: ALLEN CARLYE JR.</sup>  
by me duly sworn, deposed as follows:

My name is ALLEN CARLYE JR. A.R. - BENEFICIARY: ALLEN CARLYE JR.

I am of sound mind, capable of making this affidavit, and personally acquainted  
with the facts herein stated: MAKE A "SPECIAL APPEARANCE" (CHALLENGING JURISDICTION)

Attached to this Affidavit is a COL FORM NOTICE AND WARNING FORM STATING FEDERAL LAWS THAT APPLY TO EVERYONE THAT CITIZEN OR OTHERWISE APPLYS TO, TO ACT UNDER THE COLOR OF LAW 18 U.S.C. § 242; 18 U.S.C. § 245, AND 42 U.S.C. § 1983 Violation Warning, Denial of Rights Under Color of Law. That said <sup>contents</sup> ~~contents~~ I respectfully ask you to consider this form and seriousness of its <sup>contents</sup> ~~contents~~. On Aug 7<sup>th</sup> between hours of 2:00 pm 3:00 o'clock p.m. Children's Division Came to my home at 312 N. Center St. Apt 4 East Prairie, MO, when entered <sup>our</sup> home was three women, not able to communicate well on what they were exactly there for, didn't want voluntary services at that point, then <sup>they</sup> ~~you~~ stated "I'll take your kids and nothing you can do about it," at that point ~~we~~ was upset and told them straight forward get out of my house now. At this time they proceeded to lay outside my residence, at that time, letting law enforcement Officer Copland East Prairie City police officer, enter my residence two more times on what they said was well-being check, basically in "my opinion" not having anything to have, present as evidence to move forward, <sup>spitfully</sup> ~~spitfully~~ figured out how to get temporary protective custody of kids so proceeded with Juvenile Office to have hearing which ~~we~~ <sup>we</sup> were after court hours, because officer Copland came to door to say but not present me court order to take children in to custody, which was approximately 30 p.m. Around 10:45 they asked if they could take children and with no papers - showed to me, ~~we~~ <sup>we</sup> locked doors and said upon Search Warrant or papers own. to me I'll ~~and~~ consider doing so, but guess they'll hold to decide themselves. Around 11:45 or midnight 6 officers forced entry in my home, while all of my family resided upstairs they was streaming search warrant running up the stair, ~~we~~ <sup>we</sup> came out of bedroom toward catwalk where I obeyed orders to get on knees hands up, upon doing that two officers began seeing me deploying tazers, and other two tried physically making me lay down in consideration that I'm 6'1 1/2" tall when leaving both bedrooms entrance fore getting to catwalk is 3'x4'.

other meant to get me down, ~~our~~ family was terrified, children screaming don't  
1 ~~our~~ dad, wife was crying, all at the same time the other two officers  
2 by end of stairs (Chief of Police) East Prairie, Missouri 63345 Mark Higgins and  
3 bedroom door (Sheriff Deputy) Roy Moore. Two of the officers are unknown to  
4 and the one that was engaging most was Josh Malonado, and only can  
5 nify other one that was dry tazing me and phisically trying to take ~~us~~ down  
6 with other two unknown officers. During this ~~our~~ children was ft. away from  
7 eing hit with tazer prongs while officers Copland East Prairie officer  
8 nford family in bedroom. As they ran outta tazer cartridges they seemed  
9 the more less violent I allowed ~~them~~ to cuff me once ~~we~~ seen the  
10 eat for most part was gone. As they were getting me up to walk out of residence  
11 wn stairs to front door they pulled tazer prongs oatta me while walking me  
12 swn rolling up wires. Ambulance did evaluate me, and had to remove  
13 me existing prong. Chief Polia Mark Higgins informed me ~~we~~ was free to go so  
14 ~~IE~~ didn't ride in ambulance. He gave me hearing papers from what seemed  
15 be a random hearing filed out with name and info filed in. Also application  
16 r warrant and were it was electronically filed for 10:54 am. For the  
17 rest of my knowledge, ~~we~~ slowly seem to see the mental and phisical effects  
18 rom this and such disgrace ~~and~~ the professionalism of all the authorities involved  
19 t of witnesses around the residence where ~~we~~ reside ~~we~~ mostly think of  
20 the effect on the children were and outlook they must have on the  
21 ole situation, ~~our~~ family has been illegally search seized, misconduct, excessive  
22 ce, Post Trauma Stress, wrongful removal, and detainment of children, ~~coercion~~  
23 ded upon, ~~after~~ being striped away, lack of confidence in authority, and everything  
24 ~~that~~ makes it un-moral, disgrace to the county, state, U.S. and  
25 really speaking. This matter will not be resolved until ~~we~~ find justice

## "Affidavit"

Before me, the undersigned authority, personally appeared ALLEN D. CARLYLE JR. A.R. / ~~Allen D. Carlyle Jr.~~ by me duly sworn, deposed as follows: My name is ALLEN D. CARLYLE JR. A.R. I am of sound mind, capable of making this affidavit, and personally acquainted with the facts herein stated: Make a special appearance "Challenging Jurisdiction."

Attached to the Affidavit is a COL Form Notice and Warning form stating Federal Laws that apply to everyone that citizen or otherwise applies to, to act under the color of Law; 18 U.S.C. § 241; 18 U.S.C. § 245; and 42 U.S.C. § 1983 Violation Warning, Denial of Right under color of Law. That said we respectfully ask you to consider this form and seriousness of it's contents. On 7<sup>th</sup> day of August 2019 between hours of 2:00pm and 3:00pm, Childrens Division came to our home at 312 N. Center St. Apt. 4 East Prairie, Missouri 63845, when entered our home was three women, not able to communicate well on what they exactly there for, didn't want voluntary services at that point. We was upset and told them straight forward to "leave" get out of our home now. At this time they proceeded to stay out side my residence, at that time, letting Law enforcement officer Copland East Prairie City Police Officer enter my residence two more times on what they said was well-being check, basically in my "opinion" not having anything to have to present as evidence to move forward, so I <sup>electronically filed between 9 and 10 pm</sup> figured out how to get temporary protective custody of children, so proceeded with Juvenile office to have hearing which we are sure was after court hours, because Officer Copland came to the door to say hat not present me court order to take children into custody, which was approximately, 9:30pm

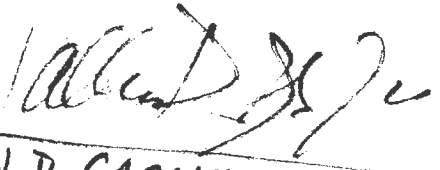

Around 10:45 pm they asked if they could take children and without no papers showed to us, I'll consider doing so, but guess they'll have to decide themselves. Around 11:45 pm or Midnight 6 officers forced entry in our home while all our family resided upstairs officers were screaming search warrant running up the stairs, we came out of bedroom toward catwalk where I obeyed orders to get on knees hands up, upon doing that two officers began tazing me deploying tazers, and other two tried physically making me lay down, take in consideration, that I'm 6' 1 1/2" tall when leaving both bedrooms entrance before getting to catwalk is only 3' x 4'. Not being able to lay down due to size they persisted I was resisting and while all four continued to physically attack us, one dry tazing me and one deploying multiple cartridges to me, while other two was physically taking me down, due to number of officers. We tried to maintain ground but not resisting due to excessive force and how many officers and how they betrayed to be, we was in fear for our lives, families. Upon deploying multiple tazers, punching, choking and other means to get me down, our families was terrified, children screaming don't kill our Dad, wife was crying, all at the same time the other two officers stood by end of stairs (Chief of Police East Prairie, Missouri 63845 Mark Higgins and by bedroom door (Sheriff Deputy) Roy Moore. Two of the officers are unknown to us and the one engaging most was Josh Malenado, and only can identify other ~~one~~ <sup>one</sup> that was dry tazing me and physically trying to take us down with other two officers. During this our children was feet away from being hit with tazer prongs while Officers Copeland East Prairie Officer maintain family in bedroom. As they ran ~~out~~ <sup>out</sup> of tazer cartridges they seemed little more less violent I allowed them to cuff me once we seen the threat for most part was gone. As they were getting me up to walk out of residence down stairs to front door they pulled tazer prongs outta me while walking me down rolling up wires.

Ambulance did evaluate me, and had to remove one existing prong. Chief Police Mark Higgins informed me we was free to go so we didn't ride in ambulance. He gave me hearing papers from what seemed to be a random hearing filed out with name and info filed in. Also application for warrant and were it was electronically filed for 10:54pm to best of my knowledge. We slowly seem to see the mental and physical effects from this and such disgrace and lack of professionalism of all the authorities involved. A lot of witness around the residence where we reside. We mostly think of how the effect on the children were and outlook they must have on the whole situation, our family has been illegally search seized, misuse excessive force, Post traumatic stress, wrongful removal, and detainment of children, intruded upon, safety being stripped away, lack of confidence in authority, and everything else that makes it un-moral disgrace to the county, state, U.S., and generally speaking. This matter will not be resolved until we find justice for our family. Which we believe is everything that was lost, taken damaged or direct effect from this incident on 7<sup>th</sup> day of August into early morning on the 8<sup>th</sup> day of August 2019. Damages for harm and injury, pain suffering, children's trauma due to this situation, cognitive damages on our family (children), fear and safety of being harmed, in process of taking action, No one compliance with call law enforcement on doing duties, uphold standards of office, excessive force, wrongful removal of children, forced entry / illegally due to juvenile children, being involved along with a lot other factors due to execution of warrant, and on and on ect. We're seeking the performance bonds of all officers including sheriff, along with any other official / or employee in their duties that may or tried to interfere or prolong me on this matter to uphold my rights. We have also filed complaints with many offices of state and Federal U.S. We Lawfully Demand immediate return of family's property within 72hrs. Defined as 3 Juvenile children, Chance Logan Crawford DOB: 11/13/07, Destin Allen Carlyle DOB: 03/08/2016, Allen Dale Carlyle DOB: 02/25/2019. "And immediate return of all income or financial assets. During this process."

Want it to be known we want all documents that pertain to this matter, incident or person(s) that name are stated throughout this affidavit. Due to the family(our) having burden of proof that anything done along this process was recorded, typed, and filled/entered effectirly, timely, and accurately. So when I need records for any reasons to provide otherwise or for whatever reason. We're in possession of those papers, facts, and documents. We would most of all appreciate any cooperation, with whomever this may concern in future, and written response to this matter by all it may concern by department, division, or county. This matter/situation is very sencitive/important for and to our family and would be grattful for any reassurance of sattey to all of us all. We(family) are just trying to uphold our rights as citizens, living beings (man and women) and morals/vaules, along with our sattey and security of us all. Also state that living man and women, mistakes or errors are possible along with matter or material that may be forgot or left out or remembered, but to add that all of this affidavit is true to best of our ability. Any further statement will be answered upon request if I(our) feel my constitutional rights are not being violated. If any other compensation "crime victims" "Federal Reserve" or any other insurance or bonds taking cut or gained through this matter process be made aware of/ and returned to whom it belongs.

Being duly sworn and pursuant to Section 579.015, RSMO I state upon information and belief the following:

**Describe the facts and/or attach affidavit showing probable cause.**

On Wednesday 08/07/2019 Children's Division obtain a court order to take custody of the Three juvenile that reside at 312 North Center Apartment 4. Officers Coplin made contact with the male of the residence who is the father of the children in which the order was signed on for removal of the juveniles. Officers and Children Division workers physically saw a male (father), a female (mother), and three juvenile children in the residence prior to having the signed orders in hand. Officer Coplin is presently at the residence ensuring that no parties leave the residence.

Once the order was signed, I retrieved the documents and transported them to 312 N Center apartment 4, Upon knocking on the door the male inside told Law Enforcement to go away unless we had a warrant. Officers instructed the male that there was a court order signed for the children but he still refused to open the door. I heard movement in the residence which sounded like he was moving items in front of the doorway that would prevent easy access.

The male also had stated that he would fight Law Enforcement we attempted to take his children from the residence. At this point he is not allowing access to the residence and it is believed that he may cause harm to Law Enforcement when we gain entry.

In re: Possible Lawsuit

Dear Mr. and Mrs. Carlyle:

I was saddened to hear the story regarding your children, juvenile court and the excessive force leveled on Allen. As I told you in my office, I do not practice in Juvenile Courts. I do file lawsuits against bad law enforcement officers if there is solid proof of a Civil Rights Violation (excessive force) and if there are significant damages (serious injury or death). As I explained in my office, you are very, very lucky that you were not seriously injured and that you did not die as a result of being tased multiple times. There is a statute of limitations on your claim and I would encourage you to see another lawyer/law firm within the next thirty (30) days for representation. One attorney that is in my trial college is Anthony Laramore and his email and phone number are as follows:

Dear Mr. Allen Carlyle:

Thank you for your correspondence to the U.S. Department of Health and Human Services (HHS), Office for Civil Rights (OCR) received on November 26, 2019. In your complaint, you allege that the juvenile division and Child Protective Services in Scott County and Mississippi County Missouri, and the Missouri 33rd Judicial Circuit Court discriminated against you on the basis of disability and other legal rights.

OCR enforces federal civil rights laws which prohibit discrimination in the delivery of health and human services based on race, color, national origin, disability, age, sex, religion, and the exercise of conscience, and also enforces the Health Insurance Portability and Accountability Act (HIPAA) Privacy, Security and Breach Notification Rules.

Based upon review of your correspondence, we have determined that your allegation did not establish a sufficient connection between a protected basis (disability) and the alleged adverse actions. Additionally, OCR does not have jurisdiction over the subject matter. The issues you raised in your complaint are not handled by OCR. Therefore, OCR will be closing your complaint as of the date of this letter and will take no further action.
